

Langley Parish Council Staff Expenses Policy

A Travel and Subsistence

- 1) Councillors and the Clerk may reclaim the cost of travel and subsistence incurred if they attend a meeting as a representative of the parish council or attend a training session outside of the parish. Costs may not normally be claimed for travel to parish council meetings.

- 2) The reason for travel and any subsistence costs to be claimed should be agreed by the parish council and minuted, wherever possible, at the preceding meeting. If this is not possible, agreement must be given at the next meeting before repayment of any expenditure is made.

- 3) In accordance with the Travel and Subsistence Allowance set by the Parish Independent Remuneration Panel (May 2015), the following rates may be claimed:
Travel Car or van 45p per mile. An additional 5p per mile may be claimed if another passenger travels in the vehicle. Motorcycle: 24p per mile. Bicycle: 20p per mile.
Subsistence Breakfast £5.37, lunch £7.70, tea £3.04, dinner £9.53.

- 4) If a journey is undertaken by public transport, travel expenses will be reimbursed on the production of a receipt. There is an assumption that the most economical mode of travel will be used, where appropriate, eg off peak.

- 5) If there is no alternative form of transport available and the parish council agrees to the use of a taxi, travel expenses for this will be reimbursed on the production of a receipt.

- 6) The cost of parking will be reimbursed on the production of a parking receipt.

- 7) Before any expenses are reimbursed, a form will be submitted by the member of staff providing the following information: name; date of travel; place where they have travelled to; purpose of journey; names of any passengers; mileage, taxi or public transport cost; parking cost; subsistence costs
